

DELEGATE PENNIMAN: I have no objection to the proposed change.

THE PRESIDENT: When we had this matter under consideration several days ago the Chair called attention to the fact that some copies which had been distributed contained inadvertently a page 4 which has since been rewritten.

Will you please look at the page 4 that you have and see if in line 39 it has the word "pertaining". If it does not have that word, please destroy it, raise your hand and we will send you another copy. I make this point because the old copy already has the language to be inserted by this amendment.

Delegate Bamberger.

DELEGATE BAMBERGER: Mr. President, there was some confusion in Amendment No. 7 on line 3. I take it the word stricken out was "laws", plural, on line 39, is that right?

THE PRESIDENT: I did not hear that.

DELEGATE BAMBERGER: Line 3 of the amendment says "strike out the word 'law'," singular.

THE PRESIDENT: That is right.

DELEGATE BAMBERGER: In the copy I have, that appears to be plural.

THE PRESIDENT: Read line 39 in the copy you have, will you, please? Read everything, whether it is stricken or not.

DELEGATE BAMBERGER: "For on any of these laws" —

THE PRESIDENT: You have the wrong copy. It does not have the word "pertaining". Will you please destroy it, and will a Page please give Delegate Bamberger a new copy?

Has any other delegate a copy which does not have the word "pertaining" on page 4 in line 39? Please destroy it.

Are you ready for the question? The question now rises on the adoption of Amendment No. 7 to Committee Recommendation LG-1 as amended by Report S&D-7. Is there any further discussion? Are you ready for the question?

*(Call for the question.)*

The question arises on the adoption of Amendment No. 7. A vote Aye is a vote in favor of the amendment. A vote No is a vote against.

Cast your votes.

*(Whereupon, a roll call vote was taken.)*

THE PRESIDENT: Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 108 votes in the affirmative and one in the negative, the motion is carried. The amendment is adopted.

Any other amendments with respect to style on section 7.08?

Delegate Moser, I take it your Amendment BD will not be offered?

DELEGATE MOSER: That is correct, sir.

THE PRESIDENT: And Delegate Carson, your Amendment BE will not be offered?

DELEGATE CARSON: Mr. Chairman, I do not intend to offer it at this time. I doubt that I will ever offer it.

THE PRESIDENT: Very well. Are there any other amendments with respect to style as to 7.08?

THE PRESIDENT: The Chair hears none.

Are there any amendments as to style with respect to 7.09? Are there any amendments to style with respect to section 7.10?

Delegate Moser.

DELEGATE MOSER: Mr. President, you should have one up there. I have no idea what the letter is because I have not had it delivered to me.

THE PRESIDENT: "I", is that it?

The Pages will distribute Amendment I, I for Item.

The Clerk will read Amendment I, which will be Amendment No. 8.

READING CLERK: Amendment I, to Committee Recommendation LG-1 as amended by Report S&D-7, by Delegates Moser, Adkins, Barrick, Blair, Boileau, Bryson, Clagett, Eckenrode, Freeland, Grant, Leitzel, Macdonald, Needle, Sollins, Ulrich, Wagandt and Winslow:
